- (g) In relation to that class of trainee to whom an award does not apply and to whom there is no relevant order to apply if an employer-employee agreement is in force or is entered into and who has reached 21 years of age, the minimum weekly rate of pay shall be that determined by reference to the highest weekly wage rate for the skill level relevant to the traineeship set out below:

from the beginning of the first pay period commencing on or after 1 July 2024:

Industry/Skill Level A	\$704.00 per week
Industry/Skill Level B	\$682.00 per week
Industry/Skill Level C	\$628.00 per week

8. THAT

- (a) The rates of pay applicable to trainees under the following awards be adjusted in accordance with the formula outlined in sub-clause (b):
 - (i) AWU National Training Wage (Agriculture) Award 1994;
 - (ii) Farm Employees' Award;
 - (iii) Food Industry (Food Manufacturing or Processing) Award;
 - (iv) Furniture Trades Industry Award;
 - (v) Licensed Establishments (Retail and Wholesale) Award 1979;
 - (vi) Metal Trades (General) Award;
 - (vii) Motor Vehicle (Service Station, Sales Establishments, Rust Prevention and Paint Protection) Industry Award No. 29 of 1980;
 - (viii) Printing Award;
 - (ix) Sheet Metal Workers' Award No. 10 of 1973;
 - (x) Soft Furnishings Award; and
 - (xi) Vehicle Builders' Award 1971.
- (b) Trainee rates be adjusted as follows:
 - (i) Industry/Skill Level A, B and C top rates are increased by 80% of the arbitrated safety net adjustment. Each result is then rounded to the nearest dollar.
 - (ii) All other Industry/Skill Level A, B and C rates are increased by a percentage of the unrounded result of the first step. Each result is then rounded to the nearest dollar.
 - (iii) However, if an existing rate in Industry/Skill Level B or C is the same as an existing rate in Industry/Skill Level A or B, the rates are adjusted in line with whichever is the highest rate applicable, Industry/Skill Level A, B or C, in order to maintain consistency.

Award Rates of Pay

- 9. THAT weekly rates of pay for adults in the awards of the Commission, other than those set out in Schedule 1, be increased by 4% from the beginning of the first pay period commencing on or after 1 July 2024 and that this increase shall be subject to absorption in the same terms as previous State Wage orders.

Where wages are expressed as an hourly, fortnightly, annualised or other amount, that rate shall be increased by a relevant amount having regard to the 4% increase in pay for full-time employees pursuant to the relevant award.

10. THAT where an award rate other than an adult rate is determined by reference to a percentage of the adult rate or some other formula, those award rates shall be varied on the basis of that percentage or formula to take into account the application of this State Wage order increase of 4% to the adult award wage from the beginning of the first pay period commencing on or after 1 July 2024.
11. THAT increases under previous State Wage orders prior to 1 July 2024, except those resulting from enterprise agreements, are not to be used to offset the State Wage order increases herein.
12. THAT from the beginning of the first pay period commencing on or after 1 July 2024 all awards which contain a minimum adult award wage clause or provision be varied by deleting the text of that provision and replacing it with the following:

MINIMUM ADULT AWARD WAGE

No employee aged 21 or more shall be paid less than the minimum adult award wage unless otherwise provided by this clause.

The minimum adult award wage for full-time employees aged 21 or more working under an award that provides for a 38-hour week is \$918.60 per week.

The minimum adult award wage for full-time employees aged 21 or more working under awards that provide for other than a 38-hour week is calculated as follows: divide \$918.60 by 38 and multiply by the number of ordinary hours prescribed for a full-time employee under the award.

The minimum adult award wage is payable from the beginning of the first pay period commencing on or after 1 July 2024.

The minimum adult award wage is deemed to include all State Wage order adjustments from State Wage Case decisions.

Unless otherwise provided in this clause adults aged 21 or more employed as casuals, part-time employees or piece workers or employees who are remunerated wholly on the basis of payment by results, shall not be paid less than pro rata the minimum adult award wage according to the hours worked.

Employees under the age of 21 shall be paid no less than the wage determined by applying the percentage prescribed in the junior rates provision in this award (if applicable) to the minimum adult award wage, provided that no employee shall be paid less than any applicable minimum rate of pay prescribed by the *Minimum Conditions of Employment Act 1993*.

The minimum adult award wage shall not apply to apprentices, employees engaged on traineeships or government approved work placement programs or employed under the Commonwealth Government Supported Wage System or to other categories of employees who by prescription are paid less than the minimum award rate, provided that no employee shall be paid less than any applicable minimum rate of pay prescribed by the *Minimum Conditions of Employment Act 1993*.

Liberty to apply is reserved in relation to any special category of employees not included here or otherwise in relation to the application of the minimum adult award wage.

Subject to this clause the minimum adult award wage shall –

Apply to all work in ordinary hours.

Apply to the calculation of overtime and all other penalty rates, superannuation, payments during any period of paid leave and for all purposes of this award.

Minimum Adult Award Wage

The rates of pay in this award include the minimum weekly wage for employees aged 21 or more payable under the 2024 State Wage order. Any increase arising from the insertion of the minimum wage will be offset against any equivalent amount in rates of pay received by employees whose wages and conditions of employment are regulated by this award which are above the wage rates prescribed in the award. Such above award payments include wages payable pursuant to enterprise agreements, consent awards or award variations to give effect to enterprise agreements and over award arrangements. Absorption which is contrary to the terms of an agreement is not required.

Increases under previous State Wage Case Principles or under the current Statement of Principles, excepting those resulting from enterprise agreements, are not to be used to offset the minimum wage.

Adult Apprentices

Notwithstanding the provisions of this clause, the minimum adult apprentice wage for a full-time apprentice aged 21 years or more working under an award that provides for a 38-hour week is \$762.80 per week.

The minimum adult apprentice wage for a full-time apprentice aged 21 years or more working under an award that provides for other than a 38-hour week is calculated as follows: divide \$762.80 by 38 and multiply by the number of ordinary hours prescribed for a full-time apprentice under the award.

The minimum adult apprentice wage is payable from the beginning of the first pay period commencing on or after 1 July 2024.

Adult apprentices aged 21 years or more employed on a part-time basis shall not be paid less than pro rata the minimum adult apprentice wage according to the hours worked.

The rates paid in the paragraphs above to an apprentice 21 years of age or more are payable on superannuation and during any period of paid leave prescribed by this award.

Where in this award an additional rate is expressed as a percentage, fraction or multiple of the ordinary rate of pay, it shall be calculated upon the rate prescribed in this award for the actual year of apprenticeship.

13. THAT, where an award of the Commission incorporates the Supported Wage System (as defined in section 7(1) of the *Industrial Relations Act 1979*), the minimum amount payable for each week worked applicable under section 17(2) of the *Minimum Conditions of Employment Act 1993* to an instrument-governed employee with a disability (as defined in section 50A(1AA) of the *Industrial Relations Act 1979* and section 15 of the *Minimum Conditions of Employment Act 1993*) shall not be less than \$106 per week.

Statement of Principles

14. THAT the Statement of Principles – July 2023 under the General Order in matter No. CICS 1 of 2023 ([2023] WAIRC 00337; (2023) 103 WAIG 748) be replaced by the Statement of Principles – July 2024 in Schedule 2.

Publication

15. THAT the Registrar publish in the Western Australian Industrial Gazette and on the Commission's website the clauses of the awards varied by Clauses 9 – 13 of this State Wage order incorporating the amendments made.

STATEMENT OF PRINCIPLES – July 2024**1. Application of the Statement of Principles**

- 1.1 This Statement of Principles is to be applied and followed when the Commission is making or varying an award or making an order in relation to the exercise of the jurisdiction under the Act to set the wages, salaries, allowances or other remuneration of employees or the prices to be paid in respect of their employment.
- 1.2 In these Principles, wages, salaries, allowances or other remuneration of employees or the prices to be paid in respect of employment will be referred to as “wages”.
- 1.3 In making a decision in respect of any application brought under these Principles, the primary consideration in all cases will be the merits of the application in accordance with equity, good conscience and the substantial merits of the case pursuant to section 26(1)(a) of the Act.
- 1.4 These Principles do not have application to Enterprise Orders made under section 42I of the Act or to applications made under section 40A of the Act to incorporate industrial agreement provisions into an award by consent.
- 1.5 This Statement of Principles will operate until reviewed under section 50A(1)(d) of the Act.

2. (deleted)**3. When an Award may be varied or another Award made without the claim being regarded as above or below Minimum Award Conditions**

- 3.1 In the following circumstances wages in an award, may on application, be varied or another award made without the application being regarded as a claim for wages above or below the minimum award conditions:
 - 3.1.1 To include previous State Wage Case increases in accordance with Principle 4.1.

3.1.2 To adjust wages for total minimum rates pursuant to Principle 4.2.

3.1.3 **(deleted)**

3.1.4 To adjust allowances and service increments in accordance with Principle 6.

3.1.5 To adjust wages pursuant to work value changes in accordance with Principle 7.

3.1.6 To make or vary an award or to make an order to provide for equal remuneration for men and women for work of equal or comparable value in accordance with Principle 8.

3.1.7 To vary an award to include the minimum wage in accordance with Principle 9.

4. Previous State Wage Case Increases

4.1 Wage increases available under previous State Wage Case decisions such as structural efficiency adjustments, and previous arbitrated safety net adjustments will, on application, still be accessible.

4.2 Minimum rates adjustments may also be progressed under this Principle.

5. **(deleted)**

5.1 **(deleted)**

6. Adjustment of Allowances and Service Increments

6.1 Existing allowances which constitute a reimbursement of expenses incurred may be adjusted from time to time where appropriate to reflect the relevant change in the level of those expenses.

6.2 **(deleted)**

6.3 Allowances which relate to work or conditions which have not changed and service increments may be adjusted as a result of the State Wage order, or, if an award contains another method for adjusting such allowances, in accordance with that other method.

- 6.4 In the absence of any other prescribed method, where the Commission has determined that it is appropriate to adjust existing allowances relating to work or conditions which have not changed or service increments for a monetary safety net increase, the method of adjustment shall be as follows: divide the monetary safety net increase by the rate of pay for the key classification in the award which applied immediately prior to the safety net increase, and multiply the resulting figure by 100.
- 6.5 Existing allowances for which an increase is claimed because of changes in the work or conditions will be determined in accordance with the relevant provisions of Principle 7.
- 6.6 New allowances to compensate for the reimbursement of expenses incurred may be awarded where appropriate having regard to those expenses.
- 6.7 Where changes in the work have occurred or new work and conditions have arisen, the introduction of a new allowance, if any, is to be determined in accordance with the most appropriate Principles.
- 6.8 New service increments may only be awarded to compensate for changes in the work and/or conditions and will be determined in accordance with the relevant parts of Principle 7.

(Principle 7 Work Value Changes is deleted and replaced with the following)

7. Work Value Changes

- 7.1 Applications may be made for a wage increase under this Principle based on changes in work value.
- 7.2 Changes in work value may arise from significant changes in the nature of the work, skill and responsibility required or the conditions under which work is done. Changes in work by themselves may not lead to a change in wage rates.

- 7.3 The Commission may make a determination varying wage rates under this Principle if it is satisfied that the variation is necessary and justified by significant changes in work value related to any of the following:
- 7.3.1 the nature of the work;
 - 7.3.2 the level of skill or responsibility involved in doing the work;
 - 7.3.3 the conditions under which the work is done.
- 7.4 If the Commission varies the wage rates in an award on work value grounds, it must ensure that any new or changed rates of pay are confined to those employees whose work value has changed. Work value increases should not be flowed on to other awards to maintain relativities between awards or particular classifications in awards.
- 7.5 Where new or changed work justifying a higher rate is performed only from time to time by persons covered by a particular classification or where it is performed only by some of the persons covered by the classification, the new or changed work should be compensated by a special allowance which is payable only when the new or changed work is performed by an employee and not by increasing the rate for all employees working at that classification.
- 7.6 The time from which work value changes in an award should be measured is any date that on the evidence before the Commission is relevant and appropriate in the circumstances.
- 7.7 Care should be exercised to ensure that changes which were or should have been taken into account in any previous work value adjustments or in a structural efficiency exercise are not included in any work evaluation under this provision.
- 7.8 A past work value assessment which was not free of gender-based undervaluation would not constitute a proper assessment of work value.
- 7.9 Where the conditions specified in 7.2 and 7.3 are met, an assessment will have to be made as to how that alteration should be measured in money terms. The assessment should normally be based on the previous work and the nature and extent of the change in work.

- 7.10 The expression “the conditions under which the work is done” relates to the environment in which the work is done.
- 7.11 The Commission should guard against contrived classifications and over- classification of jobs.
- 7.12 Any changes in the nature of the work, skill and responsibility required or the conditions under which the work is done, taken into account in assessing an increase under any other provision of these Principles, shall not be taken into account in any claim under this provision.

8. Equal Remuneration for Men and Women for Work of Equal or Comparable Value

- 8.1 Applications may be made under this Principle to implement equal remuneration for work of equal or comparable value.
- 8.2 The Commission must apply this principle when it:
 - 8.2.1 hears applications to implement equal remuneration for work of equal or comparable value, including applications for an equal remuneration order made under Part II Division 3B of the *Industrial Relations Act 1979*;
 - 8.2.2 arbitrates industrial disputes about equal remuneration; or
 - 8.2.3 values or assesses the work of employees in ‘female dominated’ industries, occupations or callings.
- 8.3 In assessing the value of work, the Commission is required to examine the nature of work, skill and responsibility required and the conditions under which work is performed (which has the same meaning as it does for Principle 7 Work Value Changes) as well as other relevant work features.
- 8.4 The assessment is to be transparent, objective, non-discriminatory and free of assumptions based on gender.
- 8.5 The purpose of the assessment is to ascertain the current value of work. Changes in work value do not have to be demonstrated.

- 8.6 Prior work value assessments and/or the prior setting of pay rates for the work cannot be assumed to have been free of assumptions based on gender.
- 8.7 In assessing the value of the work, the Commission is to have regard to the history of the award including whether there have been any assessments of the work in the past and whether remuneration has been affected by the gender of the workers. Relevant matters to consider may include:
- 8.7.1 whether there has been some characterisation or labelling of the work as “female”;
 - 8.7.2 whether there has been some underrating or undervaluation of the skills of female employees;
 - 8.7.3 whether remuneration in an industry or occupation has been undervalued as a result of occupational segregation or segmentation;
 - 8.7.4 whether there are features of the industry or occupation that may have influenced the value of the work such as the degree of occupational segregation, the disproportionate representation of women in part time or casual work, low rates of unionisation, limited representation by unions in workplaces covered by formal or informal work agreements, the incidence of consent awards or agreements and other considerations of that type; or
 - 8.7.5 whether sufficient and adequate weight has been placed on the typical work performed and the skills and responsibilities exercised by women as well as the conditions under which the work is performed and other relevant work features.
- 8.8 Gender discrimination is not required to be shown to establish undervaluation of work, therefore there is no requirement for a male comparator.
- 8.9 Comparisons within and between occupations and industries are not required in order to establish undervaluation of work on a gender basis.

- 8.10 Such comparisons may be used for guidance in ascertaining appropriate remuneration. The proper basis for comparison is not restricted to similar work.
- 8.11 Where the Commission determines that there is not equal remuneration for work of equal or comparable value, the Commission is to make an assessment as to how equal remuneration is to be achieved. Outcomes may include but are not limited to the reclassification of work, the establishment of new career paths, changes to incremental scales, wage increases, the establishment of new allowances and the reassessment of definitions and descriptions of work to properly reflect the value of the work.
- 8.12 There will be no wage leapfrogging as a result of any changes in wage relativities arising from any adjustments under this principle.
- 8.13 The Commission will guard against contrived classifications and over classification of jobs.
- 8.14 The Commission may determine in each case whether any increases in wages will be absorbed into overaward payments.
- 8.15 Equal remuneration will not be achieved by reducing current wage rates or other conditions of employment.
- 8.16 The Commission may decide to phase in any decision arising from this principle. Any affected employer may apply to have any decision phased in. The merit of such application will be determined in the light of the particular circumstances of each case and any related material will be rigorously tested.
- 8.17 Claims brought under this principle will be considered on a case by case basis.

9. Minimum Adult Award Wage

- 9.1 A minimum adult award wage clause will be required to be inserted in all new awards, including interim awards.

9.2 The minimum adult award wage clause will be as follows –

MINIMUM ADULT AWARD WAGE

No employee aged 21 or more shall be paid less than the minimum adult award wage unless otherwise provided by this clause.

The minimum adult award wage for full-time employees aged 21 or more working under an award that provides for a 38-hour week is \$918.60 per week.

The minimum adult award wage for full-time employees aged 21 or more working under awards that provide for other than a 38-hour week is calculated as follows: divide \$918.60 by 38 and multiply by the number of ordinary hours prescribed for a full-time employee under the award.

The minimum adult award wage is payable from the beginning of the first pay period commencing on or after 1 July 2024.

The minimum adult award wage is deemed to include all State Wage order adjustments from State Wage Case decisions.

Unless otherwise provided in this clause adults aged 21 or more employed as casuals, part-time employees or piece workers or employees who are remunerated wholly on the basis of payment by results, shall not be paid less than pro rata the minimum adult award wage according to the hours worked.

Employees under the age of 21 shall be paid no less than the wage determined by applying the percentage prescribed in the junior rates provision in this award (if applicable) to the minimum adult award wage, provided that no employee shall be paid less than any applicable minimum rate of pay prescribed by the *Minimum Conditions of Employment Act 1993*.

The minimum adult award wage shall not apply to apprentices, employees engaged on traineeships or government approved work placement programs or employed under the Commonwealth Government Supported Wage System or to other categories of employees who by prescription are paid less than the minimum award rate, provided that no

employee shall be paid less than any applicable minimum rate of pay prescribed by the *Minimum Conditions of Employment Act 1993*.

Liberty to apply is reserved in relation to any special category of employees not included here or otherwise in relation to the application of the minimum adult award wage.

Subject to this clause the minimum adult award wage shall –

Apply to all work in ordinary hours.

Apply to the calculation of overtime and all other penalty rates, superannuation, payments during any period of paid leave and for all purposes of this award.

Minimum Adult Award Wage

The rates of pay in this award include the minimum weekly wage for employees aged 21 or more payable under the 2024 State Wage order. Any increase arising from the insertion of the minimum wage will be offset against any equivalent amount in rates of pay received by employees whose wages and conditions of employment are regulated by this award which are above the wage rates prescribed in the award. Such above award payments include wages payable pursuant to enterprise agreements, consent awards or award variations to give effect to enterprise agreements and over award arrangements. Absorption which is contrary to the terms of an agreement is not required.

Increases under previous State Wage Case Principles or under the current Statement of Principles, excepting those resulting from enterprise agreements, are not to be used to offset the minimum wage.

Adult Apprentices

Notwithstanding the provisions of this clause, the minimum adult apprentice wage for a full-time apprentice aged 21 years or more working under an award that provides for a 38-hour week is \$762.80 per week.

The minimum adult apprentice wage for a full-time apprentice aged 21 years or more working under an award that provides for other than a 38-hour week is calculated as follows: divide \$762.80 by 38 and multiply by the number of ordinary hours prescribed for a full-time apprentice under the award.

The minimum adult apprentice wage is payable from the beginning of the first pay period commencing on or after 1 July 2024.

Adult apprentices aged 21 years or more employed on a part-time basis shall not be paid less than pro rata the minimum adult apprentice wage according to the hours worked.

The rates paid in the paragraphs above to an apprentice 21 years of age or more are payable on superannuation and during any period of paid leave prescribed by this award.

Where in this award an additional rate is expressed as a percentage, fraction or multiple of the ordinary rate of pay, it shall be calculated upon the rate prescribed in this award for the actual year of apprenticeship.

12. **Economic Incapacity**

12.1 Any respondent or group of respondents to an award may apply to reduce and/or postpone the variation which results in an increase in labour costs under this Statement of Principles on the ground of very serious or extreme economic adversity. The merit of such application shall be determined in the light of the particular circumstances of each case and any related material shall be rigorously tested. The impact on employment at the enterprise level of the increase in labour costs is a significant factor to be taken into account in assessing the merit of an application.
